

LOUDONVILLE-PERRYVILLE POLICIES

5600 - STUDENT DISCIPLINE

The Board of Education acknowledges that conduct is closely related to learning - an effective instructional program requires an orderly school environment and the effectiveness of the educational program is, in part, reflected in the behavior of students.

The Board believes that the best discipline is self-imposed and that students should learn to assume responsibility for their own behavior and the consequences of their actions. The Board has zero tolerance of violent, disruptive or inappropriate behavior by its students.

The Board shall require each student of this District to adhere to the Student Code of Conduct/Student Discipline Code adopted by the Board and to submit to such disciplinary measures as are appropriately assigned for infraction of those rules. Such rules shall require that students:

- A. conform to reasonable standards of socially-acceptable behavior;
- B. respect the person and property of others;
- C. preserve the degree of order necessary to the educational program in which they are engaged;
- D. respect the rights of others;
- E. obey constituted authority and respond to those who hold that authority.

The Student Code of Conduct/Student Discipline Code designates sanctions for the infractions of rules, excluding corporal punishment, which shall:

- A. relate in kind and degree to the infraction;
- B. help the student learn to take responsibility for his/her actions;
- C. be directed, where possible, to reduce the effects of any harm which may have been caused by the student's misconduct.

Students may be prohibited by authorized school personnel from participating in all or part of co-curricular and/or extra-curricular activities without further notice, hearing or appeal rights. A student who has been disorderly on a school bus may be suspended from transportation services consistent with Board policy and the Student Code of Conduct/Student Discipline Code.

The Superintendent shall publish to all students and their parents the rules of this District regarding student conduct and the sanctions which may be imposed for breach of those rules.

The Superintendent shall inform the Board periodically of the methods of discipline imposed by this District and the incidence of student misconduct in such degree of specificity as shall be required by the Board.

The Superintendent, principals, and other administrators shall have the authority to assign discipline to students, subject to the Student Code of Conduct/Student Discipline Code and, where required by law, to the student's due process right to notice, hearing, and appeal.

Teachers, school bus drivers, and other employees of this Board having authority over students may take such action as may be necessary to control the disorderly conduct of students in all situations and in all places where such students are within the jurisdiction of this Board and when such conduct interferes with the educational program of the schools or threatens the health and safety of others.

Discipline on Board vehicles shall be the responsibility of the driver on regular bus runs. When Board vehicles are used for field trips and other Board activities, the teacher, coach, advisor, or other Board employee shall be responsible for student discipline. If a student becomes a serious discipline problem on a vehicle, the Superintendent and/or his/her designee may suspend the transportation privileges of the student providing such suspension conforms with due process. The procedures for suspension are set forth in the Student Code of Conduct/Student Discipline Code and Board Policy 5611 – Due Process Rights.

No student is to be detained after the close of the regular school day unless the student's parent has been contacted and informed that the student will be detained. If a parent cannot be contacted, the student should be detained on another day.

5610.04 - SUSPENSION OF BUS RIDING/TRANSPORTATION PRIVILEGES

Students on a bus or other authorized Board of Education transportation vehicles are under the authority of and directly responsible to the bus/vehicle driver. The driver has the authority to enforce the established regulations for bus/vehicle conduct. Disorderly conduct or refusal to submit to the authority of the driver will be sufficient reason for refusing transportation service to any student.

A student may be suspended from school bus/vehicle riding privileges for all or part of a school year for any violation of established regulations for bus conduct and/or for conduct occurring on the bus/vehicle in violation of the Student Code of Conduct/Student Discipline Code.

Before a suspension from bus/vehicle riding privileges is imposed, the Superintendent or other designated District personnel will provide a student with notice of an intended suspension and an opportunity to appear before the Superintendent or other designated District personnel. Disciplinary suspension periods will be commensurate with the infraction(s) committed as determined by the Superintendent or designated District personnel.

Any additional guidelines regarding conduct on school buses/vehicles, as well as general information about the school transportation program, will be made available to all parents and students and posted in a central location.
