

## LHS/LJH PBIS- Be A Champion Today

### Tier I Supports

- Twice a month all staff members at LHS are asked to nominate and write a brief description of a student within the school that is “caught” doing something positive.
- Students who are nominated have their name read over the announcements and are given an ice cream sandwich as a reward.
- In addition, 2 students from the junior high and 4 students from the high school are then recognized as our Redbird Champions. They receive a t-shirt, an ice cream sandwich, and their nomination information is mailed to parents.
- We ask staff members to give out Redbird Tickets to students that they see doing random positive behaviors throughout the school year. The students then return the Redbird tickets to the office for a drawing for prizes given twice during a nine-week period. The prizes include Walmart gift certificates, McDonald’s certificates for free food, and gift certificates to local gas stations.
- This program is supported by our Academic Boosters.
