Career Tech

Career Tech provides diverse offerings in career readiness programs geared toward developing the knowledge and skills necessary for students to be successful in today's work force. Programs offered include Agricultural Science, Job Training and STEM/PLTW Engineering.

International Baccalaureate (IB)

IB is a two year, rigorous academic program for juniors and seniors. We have had many students graduate from the Tri-County International Baccalaureate program in Wooster.

College Credit Plus

Qualified students may earn college credits while concurrently completing high school requirements through the program at several colleges in the region and with North Central State College on the LHS campus.

Project Lead The Way (PLTW)

Science, Technology, Engineering and Math (STEM) courses are offered for students in 9th through 12th grade including: Introduction to Engineering and Design (IED), Principles of Engineering (POE), Digital Electronics (DE), Robotics (ROB) and the Capstone - Engineering Design & Development (EDD).

Mission Statement

LHS, in partnership with students, family and community, will provide a high quality educational environment where students cultivate their potential as lifelong learners in a global society.
